What school do you attend?

Mountain Brook High School (Senior)

What's been your favorite part of this process?

My favorite part of the process has definitely been all of the amazing music and original choreography. This show is much more mainstream pop than any other Disney musical. I love that Carl makes some moments his own while also incorporating some of the difficult choreography from the movie.

What's your favorite moment/number in the show?

Every part of the show is amazing. But if I had to choose one section, I would say "Can't Back Down" is my favorite. The choreography is SO fun, and the song pumps me up!

Why should people come see Camp Rock?

Birmingham audiences of all ages will love Camp Rock. It is full of sweet songs, friendships, teamwork, and fun! Young audiences will recognize the choreography and be itching to dance and sing along with us. Come see Camp Rock, you do not want to miss this!
