What's your favorite moment/number in the show?	
<p>I actually have TWO favorite numbers, the first one being 'We Can't Back Down'. This number is so energy elevating. It's one of those numbers where you just want to jump in and sing along! The other number i would call a 'favorite' is probably 'Fire'. Though I'm not actually in this number....yall, it is SO hot. This is also one of those numbers where your'e on the edge of your seat, (along with the camp rockers) ;)</p>	
Why should people come see Camp Rock?	
<p>EVERYONE should come see Camp Rock, no matter how old you are! It is SUCH an entertaining show, you will definitely be out of your seats by the end of the opening number! Its an innocent, happy go lucky, kids being kids skit, and it's one of those that you walk away feeling like a kid again (: remembering the days of summer camp and jamming with your friends!! If you dont come see it, you're absolutely going to regret it! MUCH LOVE :) <3</p>
